The PVDA Ride for Life™ serves to make a difference in the fight against breast cancer and initiatives that support treatment and quality of life care for women with breast cancer. To date, we have raised over \$780,000 for the Johns Hopkins Breast Center for breast surgical oncology fellowships, quality of life research, and patient retreats. See our website for more information: www.pvdarideforlife.org.

This is the 15th anniversary of this great event and our theme is **PASSION!**
